Continuation of Substance of Interview including description of the general nature of what was discussed: Ms. Johnson (from attorney's office) called the examiner to inquire as to why claim 33 was not indicated allowable on the correspondence received by applicant. Upon review, the examiner noted a typographical error on the "Notice of Allowability" and in the Office Action. On these two papers, claim 33 was not included as an allowed claim. However, on the File Wrapper Issue Information (not sent to applicant), Claim 33 was included as an allowed claim. Therefore, the examiner is sending this correspondence with the corrected allowed claim listing and reasons for allowance.
